Guidelines and Schedule

2008-09

Islip School District Transportation Guidelines

Transportation will be provided for all kindergarten and first grade students in the district. Transportation for students in grades 2 through 12 will be provided for those who reside beyond the distances listed for each school building as follows:

Islip High School:	Distance from home to nearest entrance to school is at least 1.3 miles.
Islip Middle School:	Distance from home to nearest entrance to school is at least 3/10 mile.
Islip Elementary Schools:	Distance from home to nearest entrance to school is at least 3/10 mile.

All students who are eligible for transportation will be issued bus tickets during the first week of school. Any parent having a question concerning transportation should call the principal of the building the child attends or the district office, 859-2216. (Suffolk Transportation Company provides bus service for the Islip Schools.)

PLEASE NOTE: Students are requested not to arrive at the schools before opening time, as established by each building principal. Since there is no supervision on the playground after school, all students are to go directly home after dismissal. For the exact school hours for each building please refer to the last page of this document.

Non-Public School Pupils (Filing Deadline: April 1, 2009)

Applications for non-public school student transportation for the 2009-2010 academic year are due in the Islip School's Transportation Office, 215 Main Street, Islip, NY 11751 not later than April 1, 2009. Additional information is available by contacting the transportation office at 859-2216.

Did You Know...It's The Law!!!

It is illegal--and very dangerous--to pass a stopped school bus with flashing red lights. You must always stop for flashing red lights, even on divided highways and on school grounds.

The first-time fine for illegally passing a school bus is \$250, 5 points on your license,

and/or possible 30 days in jail.

The Islip School District appreciates your cooperation and thanks you for modeling safe driving habits to our students.

**TENTATIVE
